Re: Section 7 Consultation on Penta Creek Fee Lease Incidental Boundary Change, West Ridge Resources Inc., West Ridge Mine, C/007/0041, Task # 1942, Outgoing File

Dear Mr. Maddux:

The Division of Oil, Gas and Mining received an application for an Incidental Boundary Change from West Ridge Resources, Inc. on June 4, 2004. This proposed new IBC encompasses approximately 46.35 acres of fee coal and can be located on the Sunnyside 7.5 minute quadrangle map in Carbon County. Enclosed is a map depicting the location of the proposed IBC.

Please supply a list of listed and proposed threatened and endangered species that might occur in this area. After we receive this list, we will evaluate the potential for each species to be in the area and to be adversely affected and notify you. We also invite your comments on other aspects of this proposal.

If you have any questions about this project, please call me at (801) 538-5325 or Joe Helfrich at (801) 538-5290.

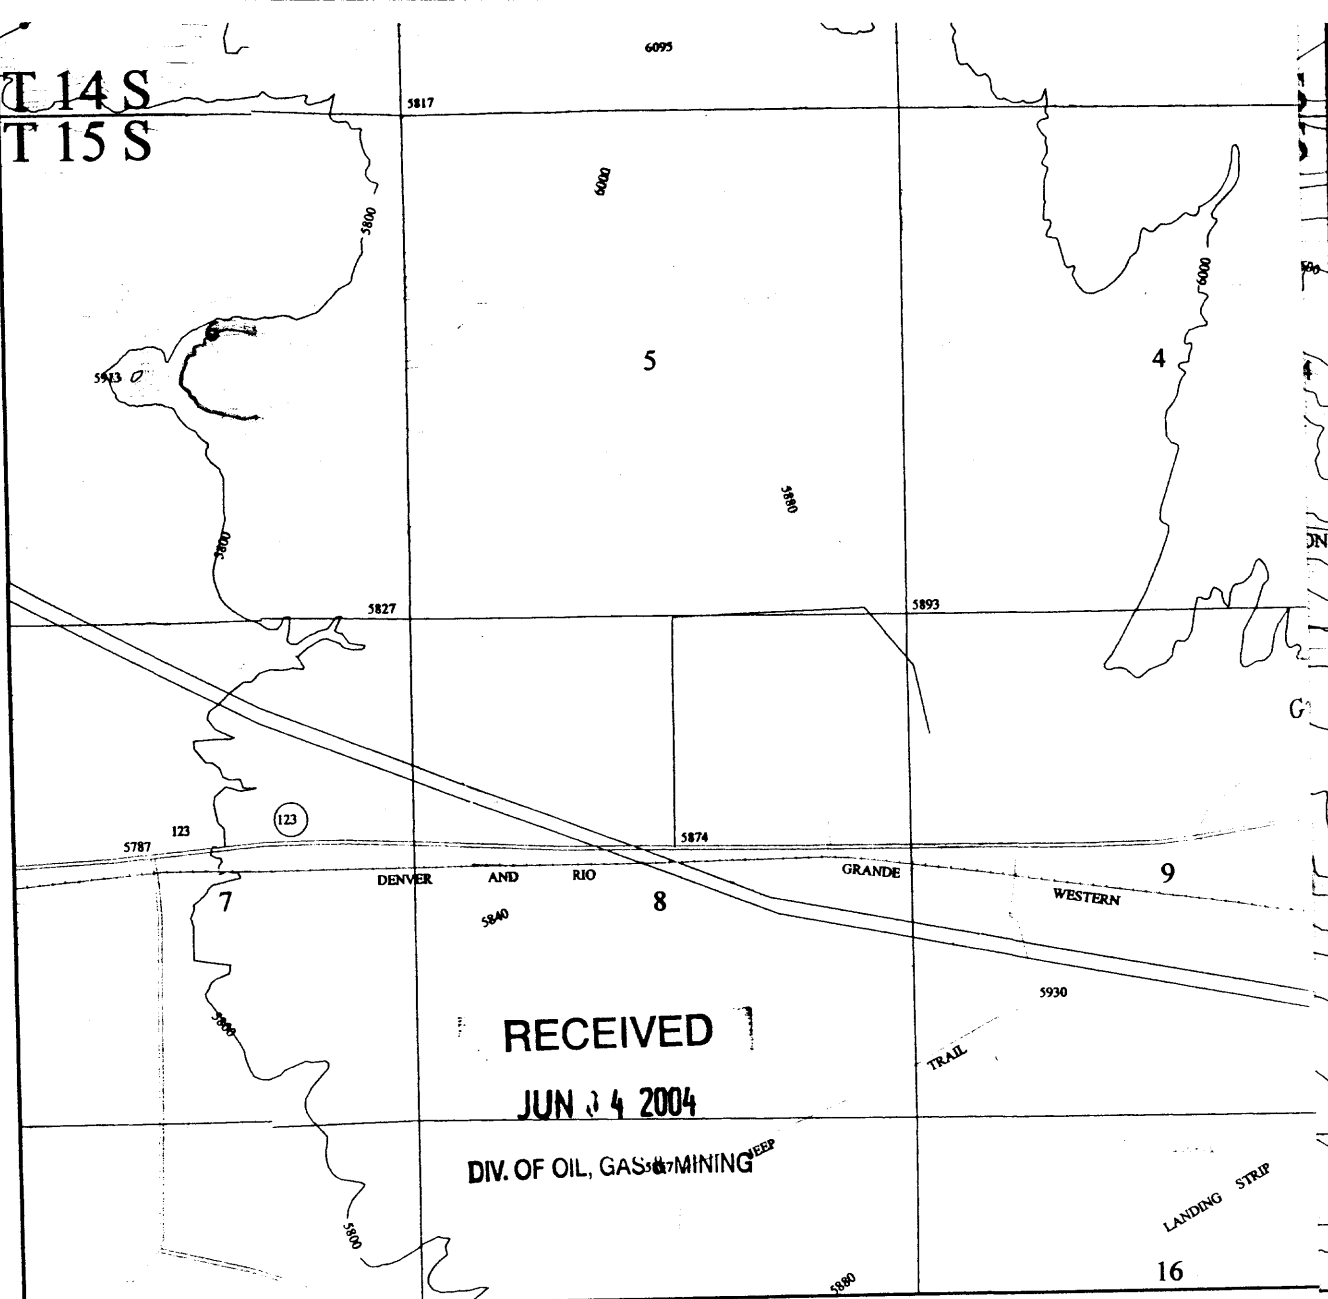

Sincerely,
